Sight Reading/Chart Writing/Music Theory For Guitarists

Let me help you develop the reading skills, chart writing ability, & practical music theory, that will help you thrive in today's music world. Even if you do not read a note, I can help you acquire the skills you need to function as a professional guitarist. If you read moderately or well, we can work together to bring you to the next levels. Lessons are taught by noted educator & performing/recording artist. Joe Giglio. Patient & structured approach tailored to the individual student. Call Joe Giglio - <http://www.joegiglio.com> <http://www.youtube.com/joegig>
