QR Code Link to This Post We are expectant professional parents Due in late January, seeking to meet similarly situated expectant parents to plan for a Nanny Share.

We are posting this now because we are learning how expensive trustworthy childcare is to secure. Because we both work long hours, it appears that most group childcare will be impractical for us. (Most childcare facilities close at 6pm or so.) The cost of a private nanny seems prohibitive and, perhaps, even undesirable. So we are seeking to meet other expectant parents who are in a similar situation and, perhaps, agree to share a nanny in the neighborhood.

We live at 40th street and Second Avenue and looking to meet another family -very- close by to us: We are thinking of an area bounded north by 44rd Street and south by 37th Street, and from First Avenue to Third Avenue. We hope to meet a happy, thoughtful, professional married couple for this purpose.

Please write to us if this seems an arrangement you may be interested in. Please also feel free to share any information or advice on this subject that you may have. We would very much appreciate it.
