QR Code Link to This Post My name is Leah and I'm a photographer from the LA area who is planning to take a trip down to the Las Vegas Area for a photoshoot or two. I'm looking to for models of all sorts of shapes, sizes, and skin colors who are comfortable with their bodies. I am working on a project that showcases the uniqueness and beauty of the female form. If you'd like to remain anonymous, I might be able to exclude faces from the composition. I like finding new and interesting ways to shoot the body! For this project, I'm specifically looking for 18-30 year old women. No experience is necessary! If you're interested in learning more, reply with: your full name, date of birth, 1-2 topless photos including your face, and a fun fact about yourself.

Best,
