QR Code Link to This Post I have a very Nice two bedroom house very close to Franklin Street and UNC campus Very secluded location with a nice size yard and good distance from neighbors I am a 21-year-old male who pretty much just works a lot and like to bike rock climb And work out in my free time just looking for someone to share my place with for the next couple months. Rent price can be negotiated a little bit just call And we might be able to work something
