QR Code Link to This Post I've never done this before Asking someone for help... I don't know were to possibly turn. An, all the places I've contacted said they can't help.I'm begging anyone for any kind of help possible. I haven't been able to work for almost five months. Because I broke my wrist and ribs in an accident. An, then they healed and I fell and broke my hand in two places. My two daughters father isn't apart of there lives. An, I've been doing it all on my own. My daughters are so amazing and they deserve the world. They shouldn't have to be going through all this an worrying about if we will still have a home for Christmas,since we've been evicted. I'm so worried about them waking up to nothing. We don't receive any kind of assistance (from social service) Food stamps,ECT...If, your reading this in the Good Lord is putting it in your heart to help my family in any kind of way... We would be so extremely blessed. Any thing would help us at the moment. An,if you can't help in any way will you PLEASE put us in your prayers.. Thank you so much for taking the time to read this.. May God bless you!
