

QR Code Link to This Post Hi. Do you need infant care for your baby while you work or go to school? Well, on here for you if you do!

I have been watching children since I can remember. I currently watch my friends baby a few times a week while she goes to school. And I just love doing it.

So, I figured I would see if anyone else needed care.

I live in a beautiful city, in a great and safe area. My own home.

Just me. No live in boyfriend or such. Lol. No children of my own. And yes, I am a female. In my mid 30's.

I have everything already to care for an infant, because I currently already do so.

But, I was hoping to make it more of a daily gig.

I have a swing, bouncers, playpen, bassinet, high chair, feeding seat, rockers, crib, bottles and much more...literally everything to care for a newborn/infant.

I just prefer this age range, because I already have the needed things to care for this age range. Honestly don't have much to care for a toddler.

I am home all day. So, if you need me earlier or later, or even overnight that's totally fine.

My home is really clean (no bugs or such). I'm a non smoker. No drugs. Pets are present. There are cats in home and a cute guinea pig, so if your child is allergic or afraid...my home and my care probably won't be suitable. ðŸ˜Ź

No criminal record. Great personality. Very loving. Gentle and caring.

I don't mind diaper changes or formula making or such.

I'm going to be honest, I'm not sure what to offer for payments, I guess it all depends on how many days you need me and how long. I don't mind working with you, if you need it.

You can pay daily or weekly.

I do NOT accept vouchers from the state. I do apologize if this may cause any inconvenience for you.

I ask that you provide formula or breast milk or such. Also diapers and any medications or such.

I always have diapers here for my friends baby, so if they wear the same size, I don't mind using them if it saves you the hassle.

I will abide by your schedules for feeding and sleeping arrangements. As I don't want the baby to get off course. That wouldn't be good.
I don't have another license so I can't have a second job worry me. I have a valid driver's license off and on but would be happy to must.
The city of Newark, which is where Cleveland is located Fairview, near Rt 2, and New East and West Plains.
If you have no objections if I am able to set up a time for such to visit and possibly take care of watching your child, I know what you really think. I email lists
me know about child, days you need me and we leave you alone and if you're busy with things I'll offer calling me both on my phone.
