QR Code Link to This Post Clean and quiet security building across from MSU campus. Off street parking so leave your car at home and save the time and gas. Newly updated with new industrial flooring so clean looking and easy to maintain. fresh paint and counter top. Heat is also included. You must have credit or a parent to co-sign and or good references. Mostly students so building is quiet and would like t keep it that way. So call not to take a look. Todd at
