Here I have a Vintage Raleigh road bike good condition. (Made in England)

You may have noticed that I have a few bikes listed on cl. I'm currently a full-time student trying to save for my tuition by running a small gig where I tune, clean and find the bikes I have a new home. I run all my bike purchases through bike-index to make sure I have full faith in the history of the bike. I also require a receipt upon purchase and I always write a receipt upon sale. All my bikes are listed very fairly as I never try to overcharge. If this bike isn't the right size or style chances are I may have one in stock that is right for you.

Size: Should fit someone 5'11-6'4

Components: Raleigh (made in England)

Condition: Good condition. Has seen many miles but has many more in its lifetime.

Description: Vintage beauty that would work great as a commuter or day to day rider.

\$200 Is a great price for an excellent bike.

Upon purchase you will get a receipt for the bike to have for your records. I meet at my place in a friendly neighborhood right by Happy Valley. Upon request I can deliver for a small fee.

If you have any questions feel free to contact me by text or.
