QR Code Link to This Post Need a girl who may be looking to build a portfolio and can shoot at least once a week. I want to revamp my portfolio completely with all types of different work that includes boudoir, emotional sets, normal portraits, and environmental shots outdoor. Certain images will include implied nudity and others will require you to get dirty (paint/dirt/sand/etc.) If you feel you may be interested, send a handful of photos over to me, your availability, and the best contact number to reach you at so we can discuss if this venture would make sense for us. I look forward to hearing back from you..
