QR Code Link to This Post So I'm Rae, 25. I'm from Rosemount, MN and I'm currently stranded here in ND. I rode here with a friend of mine. She was having car troubles, so after we got to a motel she talked to a buddy of hers from MN and drove to get it fixed and I haven't been able to get a hold of her since about 730 last night. I have no money, no food, no car, no wallet, nothing to help me get back home.

By some miracle after I checked out of the motel room this morning and was sitting in the lobby trying to figure out what to do, a guy who has a room here happened to overhear me talking to someone and said he isn't gonna be back until morning and offered to let me stay in his room for the night. What a blessing! Anyway, he suggested I make a posting on here because there are a lot of generous people around here, so I figured it's worth a shot. I don't know anyone here and don't have anyone who is able to help me back home. I need help to get a greyhound ticket back to Minnesota asap, please. I only have a few pennies and a nickel.

I would really appreciate any help someone can give me. Even a few bucks to grab something to eat would be great. Please help!

Desperately,  
Rae

Btw, my phone doesn't have service so I'm going off of wifi app. You can text me but calls usually get dropped or are hard to
