The first floor is just stairs and the living room and kitchen are on the second floor. Its a 3 bedroom, 2.5 bathroom unit and all the rooms are on the third floor. The room available is 140sq feet and gets good natural light with a descent view.

I am a twenty six year old Business Major at PSU and the other roommate is a twenty two year old Software Engineer. We are both somewhat introverted but hangout relatively often to watch shows, play games and cook meals.

The rent is month to month and the deposit is one months rent. I am hoping for someone who isn't planning on being a stranger and can keep up their end to help keep the place clean. The place is kept very tidy most of the time.

A couple would be fine but it would add \$50 to both the rent and deposit. There are two cats here already and up to two additional cats would be ok. All utilities are included as well as internet.

If interested, please email me with a little about yourself and I will get back to you as soon as.
