QR Code Link to This Post Me and my wife had purchased several homes in the area recently off the market. Sadly, the condition of the homes was terrible. Before we offer these for rental, we are going to repair them first. I don't have the time to have the inside of these homes properly cleaned. We want 3-5 people who are willing to do the cleaning job on our behalf. We will have gloves, cleaning equipment, water and of course snacks to maintain your energy levels.
