QR Code Link to This Post Hello, Thanks for taking your time on my post. I'm an Artist/Photographer looking to expand my portfolio with artistic, fashion, glamour type Art Projects. I am looking to photograph anything you want to work on together. I'm open minded and easy going, willing to shoot anything visually interesting. You don't have to be a model! Any people wanting great images for their social media profiles, blogs, loved ones, or even for promotion/portfolio.

I am available to meet downtown first an interview first. All you have to do is show up ready to have fun and sign a model release. You will get a download of our test shoot, allowing use of the images for personal or promotion purposes. From there, We'll decide on a what outdoor location, or project, we'd like to shoot in the future.

If you are interested Please send your contact info (name, email, phone). Then we can work out the details.!
