QR Code Link to This Post My little black and white cat went missing off SW Green behind Zupan's (near the Envoy). She's microchipped but not wearing a collar right now. She's adventurous, very vocal, but skittish around strangers and unfriendly towards other animals. If you see her DO NOT APPROACH HER, as it may scare her away. If you've found her or have been housing her (she may have been confused for a stray), please call or text me day or night--I miss her very much and would love to have her home.

Thank you for your!
