QR Code Link to This Post This is a Same Day PayPal pay stay at home gig with payment of about \$75-100/wk

We are a company that uses social media to get currently trending contents in different cities and we give this data to marketing companies, startups and the likes. We are currently getting some work done in Oklahoma City and we're looking for qualified candidates.

To be eligible for this gig you would need a laptop, social media account and high speed internet.

You can contact me if you have any questions or are ready to get.
