Perfect Location: One bedroom apartment in heart of Center City. One to Three blocks from Jefferson, Pennsylvania Hospital, and Wills Eye. It is across

the street from Washington Square. Two apartments are available. One faces the square and has a large window. The other has a balcony. Enjoy coffee in the morning. Both have a full kitchen with granite counter top, stove & dryer. A good condition. Transportation available with bus lines which speed to the Septa and the University City High School nearby. Shopping centers are within walking distance. Fabulous parks like Washington Square and several smaller gems are close at hand.

This is a well managed property. The owners and manager care about the property and our tenants. We place a high value on a cooperative effort to maintain the property. Both apartments are on the third floor.
