This unit is in a corner of Manyunk you may not know exists.
It is off the beaten path. This is a downstairs unit of a duplex. As
the tag says the apartment is out of the way. It will never be confused

with all those so-called high priced luxury apartments. All that
said, the unit is safe and you have access to the train as the season changes.
Where it is located and services are such, you will not regret it at all. It is
everything you could need up in the Greenough area. It is a mile and
come to Silverwood. Take a left and the first street is Greenough. Go
down Greenough to the very end and on your right is the location. You
will see my sign. Remember, this is the upstairs unit.

If interested, call me. Or if replying by electronic mail, leave tell me your
telephone number. Bonafide prospects will provide their phone number
and I do want to reach you.
