QR Code Link to This Post We have a nice first-floor bedroom for rent in our Bucks County Home in the area of Levittown. The room is located on the first floor right next to the bathroom. Bathroom would be shared. The room is unfurnished, but does come with a TV stand and flat screen TV. The rent would include all basic utilities, which are, electric, heat, and water. You would have full use of the kitchen and washer and dryer. If you would like cable television and Internet access there would be a small fee of just an extra \$10 a month. We have two dogs that are very people-oriented, and will want to interact and greet you. So you absolutely Must Love Dogs. There is no smoking anywhere in the home. This room will be available February 1st. We are starting the search now so we can find the right fit for our home. You must have stable verifiable income.

The move in cost would be first month's rent, and \$150 security deposit. Please read the whole post. If you have any questions or the room is of interest to you please don't hesitate to contact us. Thank you for your interest in!
