QR Code Link to This Post 1916 Cambridge Street has OLD WORLD CHARM and much, much more! The original hardwood flooring gives the living space that earthy and homey sensation everyone longs for. The open concept living room space leads directly into the dining room and kitchen area. This home has a beautiful kitchen with all the modern fixins including tan wooden cabinetry, granite countertops, and stainless steel appliances with a range/hood over the stove. A stunning staircase and railing with hardwood flooring lead you up to the second floor landing. Three bedrooms including a master bedroom with an arched ceiling. The bedrooms are meticulously clean and have been kept beautifully through the years. Two full baths! The master bath is a sight to see ? featuring a walk-in shower stall and a bigger than spacious tub. Finished basements are always a plus! This space is carpeted and equipped with a washer and a dryer. Customize this space to your liking. There is a private backyard area, the perfect fit for that grill and table and chairs. This house echoes that feeling of home throughout, do not wait!
