Great day! Searching for someone who has an open mind to understand the problem. My house is a clutter and I know it. It's a clutter because I have been sick the last seven years. I need assistance with junk removal kitchen restroom cleaning up floors vacuuming and so forth. Also require laundry organised and I will do the wash. You should be physically fit with significant level of energy as tasks involve climbing of stairways. Reliable and industrious thorough and good cleaner. Please provide me your name and # and let me know about your cleaning experience.
