QR Code Link to This Post Hi. we are looking for a hot stripper type young lady to play a birthday surprise gag on our boss to knock his socks off! This is a one time cash gig. It is in Kenosha and probably would not take more than 1 hour of your time. This will be a upscale private and discreet setting, not a big party with gawkers. Still working out the details but email us with some ideas. Must be attractive and fit, busty exotic dancer type with previous experience preferred. Please also send a pic and how much you would charge. No scam or spam emails, they will be.
