French tutor with a Degree in French Literature and language and a certified translator.

I have an extensive experience teaching French language in French schools and private classes, for kids and adults.

I had excellent results with all my students, whether at school or private tutoring.

I received a certificate from the Canadian Embassy entitled "Development of Teaching and Learning Strategies"; the goals of the project were to enhance the performance of preparation, activities and modalities for teaching techniques in all French schools.

Very patient and passionate for teaching, I can help with language practice, translation, homework and grammar.

I have a flexible schedule.
