 White Commercial quality

Get the extra space you need with the Whirlpool top load washer. Take on dirt with this washer thanks to the Deep Water Wash option that fills the white porcelain tub wash basket with more water to help break down loose soils. Remove deep stains with the Heavy Duty cycle. For bulky loads to wash bedding or winter jackets, choose the Bulky Items/Sheets cycle. Caring for delicates and other fine washables is easy with the Delicates cycle. Meet your family's day-to-day needs by caring for loads of business clothes with the Casual cycle and keeping darks and bright looking their best with the Cold Wash cycle. Save a little time with the Quick Wash cycle, so you can care on your schedule.

120 Volt washer offers the extra space you need without going to the Laundromat to wash bulky items
 This smooth white porcelain tub is designed to help prevent even the most delicate fabric from snagging
 Wash cycles, including Casual, Clean Washer, Cold Wash, Delicates, Drain and Spin, Heavy Duty, Normal, Quick Wash, Rinse and Spin, Soak, Super Wash
 Easy to use dials operate the soil level, wash temperature, rinse options, water level and wash cycle
 Different soil selections which include heavy, medium, light and extra light to fight stains and dirt from the biggest loads to smallest

Add-a-Garment gives you extra time before the spin cycle starts to let you toss in any missed or forgotten items
 Quick Wash cycle saves time that's designed to clean small, lightly soiled loads in 30 minutes
 The Heavy Duty cycle helps clean the stains and dirt out of even the toughest loads
 The Bulky Items/Sheets cycle takes care of bedding as well as those bulky winter jackets. The washer fills with enough water to wet down the load before the wash cycle begins, then uses a higher water level than other cycles
 5 wash temperatures including cold, cool, hot, tap cold and warm to provide the best temperature for your load
