Bench Grinder Stand

This heavy duty shop stand was home made from a piece of steel pipe which was welded to a heavy wheel and has a 1/4" steel plate attached to the top for mounting a grinder or other power tool.

The piece came with a heavy 10" Milwaukee Grinder on it which was removed and is being sold separately.

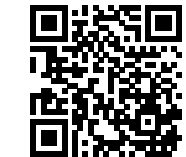

The stand is about 34"s from the floor to the top of the base. The base measures about 12-1/2"s wide x 9"s deep and is made from 1/4" plate steel.

You can see this piece at the address listed.
