 References Upon Request / DO THE OTHERS HAVE?

1 - Are you doing business with Countertops Companies or Fabricators with no inventory that buy their SLABS from others, which means higher price to YOU the customer?
 Why not Buy Direct from us as IMPORTERS?

2 - Others may have their Natural Stone inventory / showroom outside where the weather conditions will affect and damage the SLABS they are selling to you.

Our inventory is ALL protected inside!

3 - Do you really want to take the risk in buying material that has been DAMAGED OUTSIDE and IMAGED?
 If you say YES, you should consider US your NATURAL STONE choice as part of your CHOICE for Countertops!

4 - WHY? Over 30 years of business experience in the Dallas Metroplex.
