To celebrate our 40th year all lockers are being offered at unheard of in-city low rates. We only charge you for the days you use. Why pay for a whole month when you only used a portion after the 1st month?

We can offer you the lowest self storage rates for in-city Seattle. Located 1/2 mile So. of the Ballard Bridge and exactly across the street from a U-Haul truck rental center (Interbay Golf Center behind) at 2648 15th Ave. West.

~~Advance notice of move out is not required. You can't predict the future, and we don't penalize you for that.~~

The world makes you buy insurance, or you have to have it, like in the state-owned village places where they offer to give you it, or you can get insurance elsewhere. So, for self-insured, it's your own stuff, it's your own money, so it's your own call.

A-1 Self Storage, LLC is family owned and run, giving you the benefit of our personal experience in the storage business, right here in Seattle since 1977.

The price we quote you is the total price you pay, except you will need a padlock. We sell them for \$50 or bring your own.

Call and speak with our friendly staff on availability. Visit [A1StorageSeattle.com](http://A1StorageSeattle.com)
