QR Code Link to This Post AMLI Arc boasts brand new warehouse-inspired apartments on the lower level, and halfway up, the tower offers polished minimalist apartments with an opulent edge. AMLI's downtown Seattle apartments feature two interior finish packages; stainless steel appliances; quartz countertops; hardwood-inspired flooring; tech niches; and more! At the very top, upgraded penthouses exude high-design. AMLI's Seattle high rise apartments are centrally located in the Denny triangle between employment hubs and Seattle's most vibrant dining and nightlife scene of Capitol Hill.

- Hardwood-inspired flooring
- Washer and dryer in every apartment
- Solar room-darkening shades
- Built-in closets with grey accent finish
