QR Code Link to This Post Females WANTED that have the "girl next door" look. Not too heavily made up. I need women who have a natural look and are not shy about showing their body. All ages 18+ are welcome to apply. I consider and hire all ages over 18, and all races and body styles. If you don't have classic model looks or body style, don't let that stop you from applying. I hire married, mature, and older women just as much as I do younger.

I pay in cash, right after the shoot. No bullshit. No games. Only serious applications with clear, recent sample photos, age, stats, and availability will be considered.

Don't be shy. Go for!!
