I can't thank you enough for making my daughter's reception an event to remember. Not only was the music tailored for the group, but the karaoke, lighting, and games were a big hit. The fact that you came to Port Angeles during the worst winter weather of the decade made you the hero of the night. I would highly recommend you to anyone who needs a real entertainer/DJ. And the best part is your fees are reasonable and there are no hidden costs. Thanks again,
Karen C.
