QR Code Link to This Post 40 year old male currently living in East Providence with my 13 year old son (on weekends). I am looking for someone to get a 3 bed (or more if needed) to split rent with in this horrible Southern New England Economy.

I work full time and have been at the same job for 6 and a half years working IT. In my free time, I play video games, run (50+ miles a week as a competitive marathoner), watch movies, go to the gym, baseball games, WWE, road trips and amusement parks among other things.

I have no desire to live in Prov, CF, Paw, Woonie or any other local city. I prefer the suburb / rural areas of the state. Northern RI is preferable.

Looking to spend no more than \$600 a month in utilities and rent. If you are on board, message me.

If you need a place sooner, I do have a 2 bed condo until the end of Jan / Feb that I can give up my room for in the time being that would be \$500 a.
