QR Code Link to This Post Do you work nights and need somewhere to take your children that is safe, fun and has qualified teachers you can trust? Look no further!

Discovery is a safe place for your children to explore and learn through play. We have childcare for children between 1 month and 12 years and are open Monday through Friday 5:30am-7:30pm.

We are conveniently located near Boeing, off of Casino Rd. and we happily serve S. Everett as well as Mukilteo.

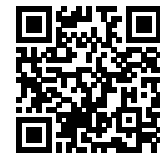

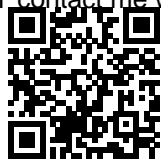

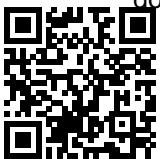

Discovery Childcare values the education of our little ones and believe that through play and exploration, all children have the ability to learn , grow and flourish. We provide opportunities to foster and develop critical thinking skills and help children to gain autonomy. Our little explorers have a natural love of experiencing and learning about the world around them and it is our job to nurture and encourage their love for learning by providing ample lessons and experiences.

We provide healthy and balanced meals as outlined by the USDA guidelines and are of no cost to families. We participate in a food program that assures that our children are receiving healthy and balanced meals.

For added security and peace of mind we have an ADT security system and cameras to see who is coming and going from the center. We use a fingerprint system, Procure, to sign in and out the children and the door opens with the fingerprint system for extra security. All of these things together mean that not only will your child learn, grow and have fun with us....they are safe as can be!

Call us and schedule a tour and see our facility. Call us with any questions and we would be happy to assist you.
