My name is Alex and I'm an engineer for TRIAD studios. We offer two studios-TRIAD Normandy in RI and TRIAD Wavecave in New Bedford MA.

They are carefully designed to help take your recordings to the next level!

If you have a full band, or are a solo artist (Folk, Hip-Hop, Singer, or any other genre) I am available as a full time engineer/producer to help make your project come to life!

If you're interested in a tour, or would like to book some time, please call/text me anytime. I look forward to working with you!
