Your spacious kitchen presents:

- Distinguished and streak free gun metal slate appliances
- Built in dining nook for your early morning sips of coffee
- Custom designer lighting
- Nest Thermostats
- Butcher block countertops perfect for chopping up tomatoes and basil straight from your garden

Not to be missed, the Belvedere's kitchens offers:

- Built-in shelving complimentary extra storage and space to best display your succulents, fresh fruits, and more
- Two large windows fill the kitchen with light and warmth, making your subway tile backsplash sparkle and shine.

Around the corner, this home's beauty continues with a custom vanity and subway tile shower. Featuring a rainfall shower waterhead, built in toiletry shelving and

framed mirrors all perfectly playing off the original exposed brick wall and bright window.
