There are endless ways you can help, regardless of where you live, how much time you have, or what you believe your abilities are! This locally based, International movement is 100% Volunteer-Operated. And we give 100% of proceeds to numerous other charities.

This opportunity is excellent for those needing or wanting an INTERNSHIP for school or experience, to fulfill COMMUNITY SERVICE requirements or VOLUNTEER HOURS, and anyone just looking to give, help, etc.!

Please respond to this ad, and include your PHONE NUMBER so we can quickly discuss how best to get you involved!

Just by joining the movement you are helping to make the world a more giving, and thus a happier and healthier place!

Please like the facebook page, follow us on twitter, get the GIVE shirt, watch the youtube video clips, etc. You can then tag, share, retweet, etc. to spread the "word"!

Events that you can help with are also on the website. Almost every other task can be done whenever you want, and wherever you want.

Thank you very much for helping us make this world a better place!
