QR Code Link to This Post Together with Eli Lilly, T1D Exchange is conducting ethnographic interviews to gain a better understanding of how people with type 1 diabetes make decisions managing their diabetes and their personal experiences involving these decisions. An ethnographic interview is a directed one on one phone interview with a diabetes professional to discuss participant behaviors and perspectives.

The interview is expected to last 60-90 minutes and you may be compensated with a \$60 Amazon gift code (or you may choose to donate it to T1D Exchange) for completing the interview. With your permission, the interview audio will be recorded; however, participant information will not be identifiable in any reports rendered, and the audio recordings will be destroyed after the information is reviewed.

Who is eligible?

- If you have type 1 diabetes
- If you were not diagnosed in the last year
- Are at least 18 years old
- Speak English

Thank you for being part of helping to advance T1D research--we appreciate your time in participating in this phone interview!
