our floor or shower will look new, vibrant and beautiful. We have thousands of dollars of inventory for our customers. We can help you by simply cleaning and restoring your grout. Instead of replacing their entire shower or bathroom. Our method of cleaning tiles is perfect. It takes years of labor and error. I have been in the business for 25 years. It comes to me we do and what we do is an art everything done by hand by Our craftsman who have all been in the business for 5yrs+ they are committed to your satisfaction, realizing that in a service oriented business our only job security comes from satisfied customers who call us in the future and also refer us to their friends, coworkers and associates. WE USE OUR SKILLS AND EXPERIENCE NOT MACHINES AND CHEAP LABOR.

Once the routines have been cleaned and repaired of the grout opened we apply two coats of sealant which adheres to the grout line and creates a barrier that seals your routines so no spills from food, drink, dirt and Grime from high traffic areas (especially during the snowy seasons) will stain your grout ever again. Also with no pores the dirt and grime to suck into will make cleaning and maintain your tile much easier.

we use only the best products in the industry such as polyblend and grout renew which comes in many different varieties of colors
