Mastering engineer, producer, mixing engineer, studio engineer, audio editor, sound designer, mixing engineer, composer, and multi-instrumentalist. Over 20 years of professional experience!

If you need your album or songs Mastered, I operate an innovative studio with all the skills, tools, and talent necessary to Master and enhance your tracks to their fullest professional grade sound levels! I give high attention to detail, quality, and your preferences, and take pride in everything I do.

Contact me if you are interested. I can e-mail you instructions for how you can send your unmastered WAV clip or full song (No MP3s please).

I will Master your first song as a preview and send it back to you within 24-48 hours. This will give you an idea of what I can do for you. After that we can talk about a great rate for any other work you need Mastered.

Experienced in all genres. Let me make your music sound like the pros!
