Do you have to come back to work soon so are you looking for a responsible, reliable and loving babysitter with a great experience with new born and little babies ? Hi , I'm Gloria . I'm 31 years old , married and I have my own one year old baby and 3 year old kid . I love children, I'm patient, mature, responsible, reliable and a trustworthy person. I also speak Spanish so I could start teaching Spanish to your child if you want! I live with my kids and husband in a clean and organized house. It is a safe place to watch your children. I don't have any pets or visitors coming in to out and this is a non-smoking household. I moved here from Colombia South America 5 years ago , I came to this country through AuPairCare agency and I'm a permanent resident here.

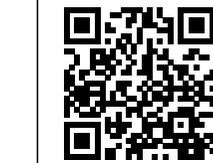

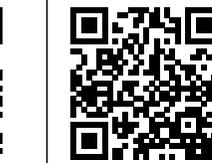

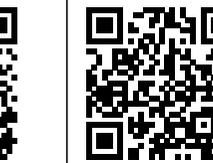

I was a nurse in Colombia and I have seven years experience working in maternity ward of a major hospital. I also have first aid training. Before I had my babies, I was working as a full time nanny/caregiver for two young children. I will provide references upon request.

I can offer general responsibilities including;

- * Feeding the baby or child. (You have to bring the baby's food or snacks).
- * Changing diapers . (You have to bring the baby's bag with everything the baby needs to use).
- * Putting the baby down for naps.
- * Interacting with the infant including: reading in English and Spanish, playtime, tummy and whatever else you need for your little one!
- * Stimulating, nurturing and safe environment for your child.
- * Parent's night out.

This is NOT a daycare ! I am not to be taking care of multiple children! I would love to watch one baby or toddler so, I will only be taking care of one baby or toddler plus my two kids that is all. My husband works 6 days a week and I need to be with my kids at home - I'm just looking to supplement our income by working from home. Thank

you for reading!
