Beautiful North East Mesa 5 Bedrooms 4.5 Bathrooms home made for a family! The home includes a great room in the basement perfect for a movie theater. Also a large storage area downstairs as well. The ground level features a beautiful kitchen with custom cabinets and granite countertops, Guest Bedroom with private bath, Great Room, laundry, and Great Room. Vaulted ceilings and open floor plans make this home feel open and spacious. Making your way to the upstairs is made easy with two beautiful staircases that lead to a common area perfect for studies or games. This home is nestled in a mature citrus grove at the end of a cul-de-sac. Come and make this house your new family home.
