Space is limited!

### About Acurian:

curatorial company that provides people for clinical research studies. With the current work with pharmaceutical companies and individuals who are willing to participate in clinical research studies in your area, this clinical research study, the participants may receive investigation, study product or may receive an incentive substance or payment, depending on the study. Some participants may be study-related from a research team or the organization. The reason for the payments will be made for participation and they will be the study pay.
