Welcome to Studio VaVaVoom, a dance studio located in Tempe, Arizona with a foundation built on body positivity, community support and personal empowerment. Our dance studio is best known for our award-winning burlesque classes. However, we also offer other dance classes, fitness classes, pinup photo shoot clinics and confidence-building activities with our FEMMEpowerment events.

The 800 sq ft space is intimate, comfortable and always clean and stocked. The mirrored wall measures about 25-30 feet across and we have a 23 foot ballet barre. The floors are hard, not sprung not marley, FYI. There are six free parking spots in front, 3 in back and some overflow at a neighboring business. Renting our space on a regular basis will include free marketing of your classes from us, if you desire.

We rent space out for rehearsals, classes, auditions, sessions, clinics, workshops, seminars and more.

In search of:
 Yoga, Bellydance, Fitness, Wellness, Empowerment classes- know anyone? Send em our way.

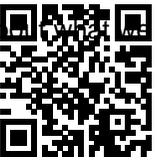

Rates vary depending on the length of your prepaid contract. Here is an example: if you need the studio for one hour for one event, the rate is \$45 for that one time, hour rental.

If you need the studio for three hours for one event that rate gets discounted.

If you need the studio for eight hours/8 weeks the rate is \$22 per hour.

If you need the studio for 16 hours in either an eight week block or a 16 week block that rate drops to \$20 per hour.

Basically, the more time you book and pre-pay the lower the rates go.
