QR Code Link to This Post Really cool fully illustrated book that features removable reproductions of handwritten lyrics, set lists, and other rare memorabilia, plus a 50-minute CD featuring music clips and interviews with Bob Marley. Hardback. Written and compiled by James Henke. (\$35 value)

Also including "Bob Marley: Conquering Lion of Reggae" paperback biography written by Stephen Davis. (\$19.95 value)

Everything in really good condition. No rips, tears, or creases on either book. I took really good care of both items. Always stored on bookshelf when not being used. Audio CD was used once. Absolutely no scratches on disk.
