QR Code Link to This Post Moving one piece? Moving a whole house? Or perhaps you just need to get rid of some excess junk. Call Jason and his team of experienced movers to get the job done professionally, swiftly, and as economically as possible. And yes, we're a *Licensed and Insured* Household Goods Mover in the State of Connecticut.

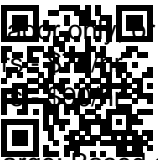

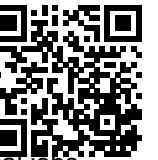

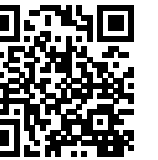

CAPACITY - We have it! Our 24-foot cargo trailer is easier to load, safer to work with, and gives us nearly 1400 cubic feet of hauling space! That's about as much as a 24-foot rental truck!

We'll arrive at your house, apartment, condo, or storage unit, and bring all the tools to get the job done: hand truck, flat dolly, appliance dolly, shrink wrap, and blankets are just part of our arsenal of clever moving solutions. We can move it all: a refrigerator, piano, couch, gun safe, craigslist purchase, furniture store purchase, antiques, and more!

We're also happy to haul away unwanted trash and junk items, and *never* seek profits at the dump. What we pay to dispose of the items is what you will pay. And if items such as clothes, furniture, and electronics can be donated, there are no extra fees!

****LOCAL RATES -Minimum Charge: 2 hours****

- Truck and Trailer + 1 Helper - \$60/hr
- Truck and Trailer + 2 Helpers - \$90/hr
- Truck and Trailer + 3 Helpers - \$120/hr
- Truck and Trailer + 4 Helpers - \$150/hr

 <p>Need a hand? just call or text us! Fuel Charge: Based on distance traveled, usually \$10-\$15 for local jobs. Non-Local Rates: We're always ready to help with longer moves! Any job that takes us outside of our local area will be charged at the same rates shown above, plus considerations for total time commitment and fuel, including travel to and from the location of service. Gratuities: At the customer's discretion, and greatly appreciated! typically \$20-30 per laborer.</p> <p>We Move, Were Licensed, Were Good, Were Cheap).
