## Kids Stop Aftercare

We have just opened our sanctuary doors to a childcare facility with in the church....We've just lunged our new program as of November 1st 2017... And are now ready to open up to assist parents needs of having a safe reliable aftercare to over see your most prized possession which are your children. We offer affordable rates that will enable parents the ability to afford childcare. We want you to have peace of mind while you are earning a living...At our facility some of the additional attributes you will receive is that not just anyone will over see your children...All of the staff that will work with your children

- 1)Are believers in God
- 2)Excellent Mentors
- 3) Care about Children
- 4)Have clean Background
- 5)Drug Free
- 6)Profanity Free
- 7)Expereined

The difference is we care about your children and the well being of your children..We will service school aged children from 5-19....We have immediate openings for Aftercare !!!! Not only will you receive excellent service for affordable rates... But peace of mind and safety knowing that your child is in a safe , spiritual environment ..... That focuses on education and positive mentor ship displayed by staff...
