Well now... I'm the hoochie-coochie man...Yeah, the house is a rockin' don't bother knockin'...Ah, the blues! When you think blues do you envision a smokey bar with a smooth-groovin' man behind a guitar sporting shades and a fedora? When it comes to blues royalty, B.B. King, Muddy Waters, John Lee Hooker, etc., should come to mind. The Lost Bridge Trio blues/jazz band can have you swaying back and forth with the beat, so book us for your next event or club party!

Jazz!  
 Blues!  
 All of the Above!
