QR Code Link to This Post I'm looking to rent to own a trailer or I can trade you the one I own now. Its a 2 bed 2 bath its in good shape but needs to be moved (I can't afford that) it has 2 broke windows and the island connected between the living room and the kitchen is caving and the floors are bare (easy fixes) please contact me with what you have and we can work it out please! We need to get out of the situation we are!
