Thank you for reading my post. Please do not reply to my ad with an inappropriate message. I will not reply!!!! I am a single lady early retired active woman. I live a simple life enjoy meditation, creativity, no drugs or alcohol. I worked and lived in Santa Cruz for many years and owned a home in Corralitos . I am very clean kind and thoughtful. I love animals but do not have any. I am friendly and respect boundaries. I consider the room that I am blessed to rent as my home to live. I am in LA at the moment visiting my son. I long to walk on Twin Lakes Beach again. I was renting a room and the owner decided to sell her home on a very short notice and the rug was literally pulled out from under me I can provide personal references and my phone number to those who have a legitimate offer.

In the hopes my post will lead to the perfect stable home for me.

Gratefully
Nancy
