QR Code Link to This Post Bentley is a very intelligent,beautiful and loving dog, he is completely house broken, I leave him out in the house for 10+ hours when I'm at work and he does not go to the bathroom in the house. If it is longer he will maybe pee in the kitchen where there isn't carpet. He is very very smart, and he's a good boy. I just simply got him at a time where I didn't know what I was in for, I do not have the time or means to having such a wonderful dog at this point in my life. He deserves something more fulfilling I believe. I do not have a backyard and I work long hours, he is a excited energetic dog because of his breed. He is not yet fixed, his vet recommended him being fixed at about one year. I will not give him away for free because I want the person who's going to take ownership of him to actually want him.
