QR Code Link to This Post Hi I have this little baby. She is a Micro Teacup Chihuahua Puppy, meaning she is smaller than a teacup. She is 8 weeks old. Fullgrown shell be 2lbs-3lbs. Her ears will eventually go up. Very very tiny. She does have first shots and is dewormed(we do have vet paperwork to prove). She is almost fully potty trained. She is a total sweetheart. We are going to make sure she goes to a wonderful forever home!

We are asking a fee of \$550. This breed is very rare to find. So who ever takes her will have something special!

Please feel free to contact me ONLY if youre trully interested!
