   QR Code Link to This Post Need some experienced landscapers (residential maintenance), must be within 20 minutes of Kennesaw and have your own transportation, pay starts at $10 an hour the first month then $11, pay will then based on performance, if you're a beast I don't mind paying you more for your effort! Must be able to pass drug test and have an ID, common sense and strong work ethic are the most important aspects of the job, we have fun while we work and need someone who can fit in, we do lots of small yards so I expect them to be knocked out quick and then break between the next job. Include your name, experience, contact information and location, looking to hire ASAP,
